**GUIDELINES & POLICIES**

**5 GALLON BOTTLED WATER HANDLING**  
**How to Maintain and Store your Water Bottles.**

- ✓ Mountain Springs is committed to providing our customers with the best possible products and service.
- ✓ Reasonable care and maintenance is required when handling the 5 gallon re-useable plastic bottles
- ✓ Always store the bottles in an area away from the elements and possible contact with other objects
- ✓ Protect from freezing, a frozen bottle will cause it to expand and crack rendering the bottle useless
- ✓ Always store the bottles in a safe area
- ✓ Always check the bottle before you place it on a cooler.
- ✓ A rough-handled or dropped bottle will cause a hairline crack which will not be noticed until it is placed on a cooler.
- ✓ Please be aware that Mountain Springs is NOT responsible for any damage that might be caused by placement of coolers or water bottles on a surface that can be damaged by water.
- ✓ Please check your bottles upon delivery. Make sure all bottles are in good condition. Please call our office immediately and we will arrange a replacement on the next delivery cycle.
- ✓ Remember – rough handling and improper storage can cause bottle failure!
- ✓ Please do not remove the cap, this helps insure the bottle remains in good condition.
- ✓ Bottle deposits will apply.
- ✓ Thank you and stay hydrated!

Please be sure empty bottles are in a convenient location for your sales representative to locate on the delivery date shown above.
